Group Exercise For Disability Awareness

Disability Awareness Activity Packet ... One student in each group will play the part of someone with autism. The other 4 people each have different jobs: ... go through the whole exercise before they tell each other the answers; when they finish discuss what they learned

Disability Awareness Activity Packet

After introducing the exercise, give out “money” to each group in increments of \$100. Be sure to give one group only \$100 and don't give more than \$800 to any one group. Giving too much money to one group makes the exercise overly long as people make choices. Make sure all groups have differing amounts of money.
