### **Guide To Country Risk How**

A country's risk can generally be divided

## Access PDF Guide To Country Risk How To Identify Manage And Mitigate The Risks Of

into two groups: economic risks and political risks. Economic risks are associated with a country's financial condition and ability to repay its debts. For instance, a country with a high debt-to-GDP ratio may not be able to raise money as easy to support itself, which puts its domestic economy at risk.
