This cursive handwriting font is available in a range of weights and styles (including looped, unlooped and precursive) so you can select the most appropriate handwriting font for your students. The font closely follows the specifications for teaching letter shapes in the UK, which allows it to be used for both reading and writing exercises.

Cursive Font, Handwriting Font for Teachers, free school font

Tip: a writing prompt would work well for this exercise. You want to focus on putting words on the page, not thinking about what to write. You could also relate this exercise to your work by writing about marketing opportunities for your business, for instance, or challenging yourself to write about your company's ideal customer.
