Understanding health care as a vocation. Today health care is described as many things, including a profession, business, industry or even a right. However, long before health care was any of these things, it started as a calling to serve by caring for those who are ill. The word "vocation" comes from the Latin word vocare, which means "to call."

Healing through music - Harvard Health Blog - Harvard ...

Christians were encouraged, of course, to pray that God would heal, whether by medical means or without them. When medicine did not avail, they might still seek healing by prayer, but recognized that they were to submit patiently to God's will. By the late fourth century, there was a marked increase in claims of divine healing.
