Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules.

Heavens Coast A Memoir Mark

Mark Doty's memoir, Heaven's Coast, is one of the most poetic books I've read in a long time. Ripe with the most vivid imagery, Doty's talent as a poet shines through in his prose. In this book, Doty recounts the life and death of his lover Wally who succumbed to AIDS-related illness in the early 1990s.

Heaven's Coast: A Memoir: Doty, Mark: 9780060928056 ...

Heaven's Coast is author Mark Doty's record of what it was like to take care of his partner, who was stricken by AIDS in the early 1990s, from diagnosis to death. It is also a book about how he came to terms with his partner's death and lived with grief and sorrow. Doty is a poet — an award-winning one at that.
