author Gabor Maté, M.D., to tackle one of the most disturbing trends of our time: children today increasingly look to their peers for direction—their values, identity, and codes of behavior. This “peer orientation” undermines family cohesion, interferes with healthy development, and fosters a hostile and sexualized youth culture.

Best-selling parenting book: Hold on to Your Kids Gabor Maté

" Hold on to Your Kids is visionary book that goes beyond the usual explanations to illuminate a crisis of unrecognized proportions. The authors show us how we are losing contact with our children and how this loss undermines their development and threatens the very fabric of society.

Hold On to Your Kids: Why Parents Need to Matter More Than Peers. This book written by Dr. Gordon Neufeld is about the pivotal importance of children's relationships to those responsible for them and the devastating impact in today's society of competing attachments with peers. However it is much more than a book on peer orientation: it is about parenting with relationship in mind.

his eyes intent on the computer monitor. It's eight o'clock in the evening and tomorrow's homework is far from complete but his father's repeated admonishments to "get on with it" fall on deaf ears.

Hold On To Your Kids - Chapter One - Dr. Gabor Maté

In Hold On to Your Kids, Dr. Neufeld and Dr. Maté explore the phenomenon of peer orientation: the troubling tendency of children and youth to look to their peers for direction--for a sense of right and wrong, for values, identity and codes of behaviour. But peer orientation undermines family cohesion, poisons the school atmosphere, and fosters an aggressively hostile and sexualized youth culture.

It is an escalating trend that has never been adequately described or contested until Hold On to Your Kids. Once understood, it becomes self-evident -- as do the solutions. Comment: As children grow it is inevitable, and a good thing, that they start to gravitate away from their parents to establish identities for themselves.
