I have a HP PSC 750 that is showing a message " Remove black cartridge and check". Have tried the HP hard reset by pulling the power cable, then holding down the "ON" button then plugging in power cable. That has not worked. I can remove both cartridges and turn the printer off. Turn it back on, will ask for black

PSC printers are great printers. In my personal opinion they are probably the highest quality printers HP has ever built. However there are times that PSC printers tend not to function properly as expected which most of the time can be fixed through a reset. There are a lot of reasons why one would need ... Continue
