Honda Civic Hybrid Questions - IMA light? - CarGurus

The contact owns a 2007 Saturn Vue. The vehicle stalled while driving in reverse and would not restart. The check engine, traction control and check engine lights came on. The failure mileage was 935. The vehicle was towed and the dealer , who stated that the failure was due to dirt in the throttle assembly.

Saturn VUE Check Engine Light On Problems

I have a 2005 HAH with 145K miles. Recently the check engine light came on -- went off again 2 days later. If the IMA light came on I did not notice it. I had the code checked and they said it was the hybrid battery. No surprise after 10 years and all those miles. Anyway, I would prefer not to spend the \$3K if I don't have to.

Honda Accord Hybrid IMA Batteries — Car Forums at Edmunds.com

The IMA light comes on whenever there is a problem typically with the IMA (integrated motor assist) battery for the Hybrid operation. This can be cured by software updates sometimes, but can also be an indication the IMA battery is a problem. If you have never had the IMA battery replaced, it is long past its life expectancy at 9 years.

ima light and check engine light on - 2001 Honda Insight

Ima and check engine light came again in October 2013, less than 3 year of use. Took it to the Honda dealer. They checked it out and replace the battery module on 10/31/2013. The ima code was the same, p0a7f high voltage battery deterioration. The mileage was 46,084. Two ima battery failure in less than three years appears to be excessive.

Honda Civic Hybrid Check Engine Light On Problems

2007 Honda Civic Hybrid. Check engine and IMA lights are on. The error code is P0A7F. It says the Hybrid Battery Pack state of charge low. How do I fix this?
