Every garden is a world and a vote for the future. This captures the heart of the loss: a shared concern about the 2020 election and what the future holds. I was too young to remember the enchanting Kennedy era, of which the garden was a living remnant. The bloom was never off Camelot's rose. Jack Kennedy's sojourn on earth was short.

Murder In The Rose Garden (Melania Did It) - National Memo

Mellon's Rose Garden was vibrant and lively; Melania's by contrast, is much more muted, with white and pastel roses. She uprooted the crab apple trees — which the administration says will be replanted “elsewhere on the grounds” — and went heavy on the hedges, replacing the brightly colored flowers with pale blooms that, for Twitter at least, do not spark joy.
