High Compression Pistons for EJ25 SOHC
This is more or less a reference post for those interested in high compression piston options. I have an SOHC 2.5 that I'm rebuilding and the #4 piston/wrist pin had some excess wear and the corners of the skirt dug into the bore a little bit, safest option is to go oversized (100mm).

The Subaru EJ engine is a series of four-stroke automotive engines

Where To Download Installing Pistons Subaru Engine Sohc

manufactured by Subaru. They were introduced in 1989, intended to succeed the previous Subaru EA engine. The EJ series is the mainstay of Subaru's engine line, with all engines of this series being 16-valve horizontal flat-fours, with configurations available for single, or double-overhead camshaft arrangements (SOHC or DOHC).
