There are a few paid-for books though, and there's no way to separate the two

Insult To Injury Rethinking Our

Insult to Injury is intended to spell out Mills' reflections on the ways that mainstream feminists have taken the wrong path. It is time, she says, for reflections and a new agenda. I applaud her fresh perspective, But when she writes about mainstream feminists (MSFs) she doesn't allow for the variety of opinions held by advocates, some of which have changed as they learn more from their work with abuses women.
