Verbeke, A., International Business Strategy: Rethinking ...

In terms of this book's framework, Levitt sees the multi-centred MNE being gradually replaced by centralized exporters and international projectors. He argues that advances in technology, communications and travel have revolutionized commerce and trade in all parts of the globe, basically conferring additional value to non-location-bound FSAs, and strengthening the MNE's ability to deploy and exploit such non-location-bound FSAs, irrespective of cultural, economic, institutional or spatial ...
