The 7th Edition of Global Marketing Management prepares students to become effective managers overseeing global marketing activities in an increasingly competitive environment. The text's guiding principle, as laid out concisely and methodically by authors Kotabe and Helsen, is that the realities of international marketing are more "multilateral."

International Marketing, 5th Edition - Testbank

International Marketing: International marketing is the export, franchising, licensing or full direct entry of a marketing organization into another country. This can be achieved by exporting a company's product into another country; entry through franchising or licensing in the target country; or direct investment in a foreign country.
