matter of the military and political survival of nations.

### **Jealousy of Trade: International Competition and the ...**

Jealousy of Trade is a compilation of glittering historical scholarship that creaks from the strain of the contrivances for compiling it. Its value lies in bringing much-deserved attention to a number of essays that otherwise would not have received it. That is value enough for an edited volume – but this volume declares greater aspirations.

### **Jealousy of Trade: International Competition and the ...**

Jealousy of trade is depicted as a post-Machiavellian phenomenon with strong post-Hobbesian undertones and refers to the juxtaposition of politics and economy at a point when success in international trade became imperative for the military and political survival of the state and acquisition of external economic resources was deemed essential for both self-preservation and grandezza.

### **Jealousy of Trade: International Competition and the ...**

The title Jealousy of Trade of course refers to the title of one of Hume's famous essays. What now becomes clear – especially in reading Hont's introduction (which runs to 156 pages) – is how entangled the ideas of the eighteenth-century economic writers, including Smith, were in the discussion concerning the role of the state in commercial society.
