Unlike a joint venture, which has an end, a partnership is an ongoing relationship between parties. It is usually limited to 20 partners and unlike a company , it is not a separate legal entity. Instead, the partners are jointly responsible for the activities of the partnership.

What's the Difference Between Joint Ventures & Partnerships?

A Joint Venture Agreement takes place when two or more individuals or entities plan to undertake a project instead of a long-term continuing business and decide to mutually share the profit or loss at the end of such project. Types of Joint Venture Joint Venture Agreements can be of three types:

Joint Venture Agreements | Owen Hodge Lawyers

But don't fear joint ventures. Maximise your skills by joining forces with someone who complements your abilities. As a result of our successful joint venture with friends on the Perth apartment, we did it again with them on a property in Sydney. Same intention, same philosophy, same agreement and same exit strategy.

Taking the risk out of joint ventures

Joint venture participants may owe one another a duty of good faith. Australian law does not generally recognise that parties to a contract such as a Joint Venture Agreement owe one another a duty of good faith, unless such term is implied into the contract under the usual rules governing the implication of terms under the law of contract.
