KRONES Modular labellers - Multi-talented systems. Last year, Gropper celebrated its 90th anniversary. The company has grown considerably since its founding: the erstwhile cheese maker is now a mid-sized enterprise producing private-label dairy products, not-from-concentrate (NFC) juices, smoothies, and bottled water for customers across Europe.

Modular labellers - Krones

Since Krones has signed up to providing holistically conceived solutions, development work on both bottle design and machine technology goes hand in hand. It is only when both these aspects supplement each other to perfection that the best solutions are arrived at – for producers, consumers and the natural environment alike.
