A rest period is not required for employees whose total daily work time is less than three and one half (3 1/2) hours. The rest period is counted as time worked and therefore, the employer must pay for such periods. CA Dept. of Industrial Relations: Rest Periods.

### California Labor Laws - Wage and Hour

A small repair job only requires one person, two hours to complete. The minimum service fee would be based on a minimum of 4 hours at \$72/hr. This small repair job would be quoted at \$288.00 for the labor portion. We know that if we price our work with a two or three-person crew, then we should be able to make the margins we have planned.
