**by Greg Rucka -
Goodreads**

The second story arc of Greg Rucka's dystopic scifi-superhero-story around Forever Carlyle, the Lazarus of the Carlyle Clan, keeps the high quality of the first TPB. New characters are introduced, the story is still exciting, thrilling and I can't wait for the next trade. Unfortunately the publishing of the monthly comic book

Lazarus, Vol. 2: Lift In Lazarus ' sophomore arc, the plot thickens on several fronts, diving into the flashbacks of a young Forever as she trains with her tutor, Marisol. These sessions—including sporadic visits by her absent father—provide a closer look at how Forever's Family manipulates her emotionally.

Greg Rucka

concise and targeted dialogue is on display as his characters show intense emotion through their chosen words. Lark complements the story in almost uncanny ways as his realistic and gritty style paints the stark world in blacks and browns. Fans of Rucka and Lark's earlier work (Gotham Central) should lift this book right off the shelf."
