...

The purpose of Leading With Cultural Intelligence by Mia Moua is to outline the important ideas of cultural intelligence and the steps that must be considered and then practiced to become a culturally intelligent leader. The most important aspect covered within this book is that cultural intelligence is both a strategy and a tool towards cultural competency and proficiency.

Leading with Cultural Intelligence - Open Textbook Library

Having done training and consulting for leaders in more than 100 countries, David Livermore, president and partner at the Cultural Intelligence Center, has detailed in Leading with Cultural Intelligence a four-step model for improving your CQ and maximizing your impact in managing across cultures: •

Drive--boost your motivation for and confidence in interacting with other cultures • Knowledge--understand the relevance of differences in religion, values, norms, and languages • Strategy

...

Leading with Cultural Intelligence

The short answer is with cultural intelligence. Being in-tune with different cultural trust-building norms across countries can go a long way in whether your interactions succeed or fall flat. In fact all four capabilities that we introduced last month are important for making the most of a diverse team, but CQ Knowledge and Strategy are especially critical for building trust.

Cultural intelligence is no longer just a “nice-to-have” skill set; it’s become a critical capability for leading in the 21st century world. The top two reasons organizations need culturally intelligent leaders are the increasingly diverse markets and the growing diversity among the workforce.

Toastmasters International -Leading with Cultural Intelligence

Cultural intelligence is the capability to function effectively across national, ethnic, and organizational cultures.¹ It can be learned by most anyone. Cultural intelligence offers leaders an overall repertoire and perspective that can be applied to myriad cultural situations. It’s an approach that includes four different capabilities,

LEADING WITH CULTURAL INTELLIGENCE - Global Thinker and Author

Cultural intelligence requires leadership and leaders, not management and managers. Historically, leadership theories and frameworks are based on Western ideologies and perspectives. Leadership theories and frameworks must incorporate a global perspective that considers differences in perceptions of leadership and leaders.
