Jury nullification (US), jury equity (UK), or a perverse verdict (UK) generally occurs when members of a criminal trial jury believe that a defendant is guilty, but choose to acquit the defendant anyway, because the jurors consider that the law itself is unjust, that the prosecutor has misapplied the law in the defendant's case, or that the potential punishment for breaking the law is too harsh.

### Jury nullification - Wikipedia

Law schools must equip students with the capacity to identify and work against legal racism. Whatever we do, we cannot let up. As a country, we must demand more from the legal profession. Lawyers cannot be social engineers or stewards of progress if law students are given permission to ignore racism in the law and in our communities.
