### What is the Life Model? - Life Model Works

Life drawing is the artistic tradition of drawing the human body from a live model – something that the likes of Turner and Constable would have studied at the Royal Academy, and which still takes part in our Life Room today. Life drawing can be an important way for artists to hone their skills – but it can have a much wider impact too.

Captain Ahab's life is part of Melville's novel, Moby Dick, for example. But my life isn't a work of art in this sense, and I don't suppose anyone thinks I should regard myself as part of a novel written by someone else. The idea is rather that real lives, like yours and mine, can be, and maybe ought to be, regarded as works of art.

### Life as a Work of Art | Philosophy Talk

Her works are often directly inspired by the transformations of urban life and the fast-changing landscape of her hometown, Tehran. Through working with a variety of media—video, 3D models, sculpture, drawing—she addresses notions of loss and rebirth.
