Lives On The Boundary A

Lives on the Boundary, written by American scholar Mike Rose, is a 1989 work of non-fiction that explores the challenges and successes associated with literacy at the margins of America's education system. Much of the work is autobiographical and explores Rose's own challenges both learning and teaching reading and writing.

Lives on the Boundary - Wikipedia

Lives on the Boundary is mostly a collection of character sketches (of Rose's teachers and of his students), some of which are sappy and stereotypical. Interspersed with those are really compelling and fantastic ideas about pedagogy and what education should mean to people and what it can do for people. A good read for any teacher.

Lives on the Boundary: Education and Inequality - Truthdig

1. "Lives on the Boundary concerns language and human connection, literacy and culture, and it focuses on those who have trouble reading and writing in the schools and the workplace. It is a book about the abilities hidden by class and cultural barriers. And it is a book about movement: about what happens as people who have failed begin to participate in the educational system that has seemed so harsh and distant to them."
