Auto electronics projects. (Book, 1995) [WorldCat.org]

11 reviews of Maplin Electronics "Maplin is an extremely useful shop. If you need a length of almost any kind of cable, electrical, audio, video etc, they can custom cut it for you. You can find pretty much every connection, connector, component, cables, devices, etc in here, and at a reasonable price. They can't compete with some online retailers for price on larger items, like hard drives ...
