Brochures are a great use for an accordion fold, especially 4 panel legal size brochures, and many types of maps use this fold as well, since a large number of panels can be folded in, accommodating a larger paper size and ultimately a lot more information in a standard finished size. Accordion folds are a great way to incorporate many ...

Tri Fold Brochure Template and Flyer Templates for Design

While there are a variety of folding options for your brochure, the most common fold patterns are the bi-fold and tri-fold. A bi-fold brochure is a single sheet folded in half lengthwise (giving it a finished width of one-half the original length), while a tri-fold brochure is a single sheet of paper folded in thirds lengthwise (resulting in a final product that is one-third the original length).
