Essays on Modernity and the Permanent Things was the subtitle of Tradition during the years of its publication. If these essays share a theme it is the critical relation between an idea or ideal that belongs to the intellectual patrimony of Christendom and modernity, that nexus of cultural pathologies which while it offers unbounded technical ...

Essays on Modernity by James A. Patrick

Theory of Modernity Essay. Theory of modernity is based on the notion of social progress, it implies that all of society, in whatever era they exist and in what region or were located, are involved in a single, all-consuming, the universal process of the ascent of human society from savagery to civilization. Culture of modernity is defining the development of European civilization for four centuries.

Theory of Modernity Essay - 928 Words | Bartleby

The cultural sphere was highly politicized. Authors wrote stories and poems that critiqued the way nationalist leaders handled the events leading up to independence and the partition of India and Pakistan. Within the burgeoning art scene, artists introduced themselves as modern and secular practitioners.
