Learn Where All Your Money Goes and Fix Budget Leaks

A budget is well and good until your dog breaks his paw, your car needs a new transmission, or your toddler needs his tonsils removed. Emergency expenses can completely derail a carefully detailed budget if you don't account for them. Before you know it, your monthly money is gone before you've even paid your bills.

Desktop is gone Hi, this morning I turned on my pc and my desktop is missing. Not the icons or the folder, but the desktop view in windows 10 itself. All I can see are the tiles. They are taking up the full screen too. There is no desktop tile and when I look at my task view, it does not have the option of opening a new desktop like it usually ...

Hi Bob Millfred I. It looks like you started with \$1,500 in your account and you budgeted all \$1,500 towards your credit card. YNAB treats credit cards differently - when you budgeted for your credit card expenses in the category where they take place, YNAB will move that money to the credit card category for you.

All of these transfers were made within budget, but I'm now being penalised and my rating has gone down to 62 in the red. I can't spend any of my transfer budget otherwise I'm making it harder to meet the critical financial objective and I apparently can't strengthen my squad otherwise that pushes up salary growth.
