In 1918, when the Bolsheviks became the ruling party of Russia, they changed their organization's name to the All-Russian Communist Party; it was renamed the All-Union Communist Party in 1925 after the founding of the U.S.S.R. and finally to the Communist Party of the Soviet Union in 1952. The Communist Party arose in opposition to both capitalism and the socialists of the Second International who had supported their capitalist governments during World War I. The name communist was ...

Muslim National Communism in the Soviet Union: A ...

National communism refers to the various forms in which communism has been adopted and/or implemented by leaders in different countries. In each independent state, empire, or dependency, the relationship between class and nation had its own particularities. The Ukrainian communists Vasil Shakhrai and Mazlakh and then Muslim Sultan Galiyev considered the interests of the Bolshevik Russian state at odds with those of their countries. This was followed after 1945 by the Yugoslav communist lifelong

National communism - Wikipedia

The Communist Party of the Soviet Union (CPSU) was the founding and ruling political party of Soviet Russia and the Soviet Union. The CPSU was the sole governing party of the Soviet Union until 1990 when the Congress of People's Deputies modified Article 6 of the 1977 Soviet Constitution, which had previously granted the CPSU a monopoly over the political system.
