“New Dark Age is a paradoxical work, elegiac yet futuristic, which embraces paradox and the limits of knowledge—especially the limits of knowledge that the present moment’s technological advances, political instability, and environmental chaos have conferred upon us.” - Literary Hub

New Dark Age 4,0,0,0 - Verso

Rather, it heralds a new Dark Age: a world of ever-increasing incomprehension. In his brilliant new work, leading artist and writer James Bridle offers us a warning against the future in which the contemporary promise of a new technologically assisted Enlightenment may just deliver its opposite: an age of complex uncertainty, predictive algorithms, surveillance, and the hollowing out of empathy.

New Dark Age: Technology and the End of the Future: Amazon ...

"New Dark Age", their book about technology, knowledge, and the end of the future, was published by Verso (UK & US) in 2018, and they wrote and presented "New Ways of Seeing" for BBC Radio 4 in 2019. Their work can be found at <http://jamesbridle.com>.

Where To Download New Dark Age Technology And The End Of The Future

A new system. The world is passing through one of these rare but tumultuous phases where an existing order is unable to accommodate changes. Possibly the age of economics will be recorded as an interregnum to build the materialistic foundation to take humanity into an age of non-materialistic values as was the case for many ancient cultures.

A New Dark Age? | HuffPost

New Dark Age is a paradoxical work, elegiac yet futuristic, which embraces paradox and the limits of knowledge—especially the limits of knowledge that the present moment's technological advances, political instability, and environmental chaos have conferred upon us.

New Dark Age: Technology and the End of the Future ...

New Dark Age integrates these critiques into a larger argument about the dangers of trusting computers to explain (and, increasingly, run) the world. As Bridle writes, "We know more and more about...

James Bridle on why technology is creating a new dark age ...

The Age of Technology, informally often referred to as the Dark Age of Technology, was the zenith of Mankind 's scientific knowledge and technological power in the Milky Way Galaxy, which lasted from the 15th Millennium A.D. until the onset of the Age of Strife in the 25th Millennium.

Age of Technology | Warhammer 40k Wiki | Fandom

New Dark Age: Technology and the End of the Future Verso Technologist James Bridle takes aim at the twenty-first century's obsession with computation as the solution to all problems, his central argument being that the data we collect has already outstripped our ability to draw meaningful conclusions from it.
