It's because the Buddha had to strategize and do repeated battle throughout his life—first against his own defilements, then against the defilements of others—that we have named this biography, Noble Warrior. Not only was he born into the noble-warrior class, he also fought, and often won, the most noble of battles.

Heaton-Lewis Books - Noble Warrior

Great story about a true American warrior. Unfortunately, the writing was dry and difficult to follow at times. I really looked forward to reading this book after watching a documentary about the Dai Do battle and defense of Dong Ha. However, I finished feeling somewhat disappointed - not in the man or story, but in the way the book was written.
