This is not a guidebook. And it's definitely 'not-for-parents'. It is the real inside story about one of the world's most colorful continents - Europe. In this book you'll read about bizarre pastimes from wok racing and mobile phone hurling to grown-up food fights and rotten shark chomping.

Not For Parents Europe : Everything You Ever Wanted to ...

This series is an excellent way to explore European cities, history, art and culture. My 7 year old refused to let me look at the books ("It says on the cover 'Not for parents!' Mommy!") But she ended up being our little tour guide, citing facts and gruesome stories (got to love European history!) and learning so much during our urban adventures.

Not For Parents London: Everything You Ever Wanted to Know ...

The roots of elimination communication may not have stemmed from Europe, but they are alive and well in the EU. Parents from many European nations are strong proponents of the practice which encourages babies to go to the bathroom in the bathroom before they can even crawl. Parents must be attuned to their little one's cues, though.
