LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Season 1 Episode 1001 | 25m 59s.

Solutions: A Special Type of Mixture:
Students learn to describe and explain
the process of forming a solution using
the terms solute and solvent and to
compare the properties of suspensions,
colloids, and solutions. The factors that
affect the rate at which a solid solute
dissolves in a liquid solvent are
introduced.
