best the preceptor-student experience is mutually beneficial—on the nurse's side, a fresh perspective and a helper who you trust; students get to leave the classroom and care for real patients. And at the end a preceptor who held your hand as you practiced the steps to save a patient's life knows they helped you grow into a confident, quick-thinking, quick-caring nurse who is

Thank you, not just for being the world's best nurse, but for being the sunshine in my life. 8)

Doctors cannot be doctors without degrees. Nurses cannot be nurses without love.

9) You'll never realize how heroic nurses are, until you actually need one. That's the lesson I've learnt and I'm glad I learnt it with you.

Messages to say ...

Thank you for pushing me, for giving me just enough rope to feel uncomfortably independent, but not enough to hang myself. Thank you for reminding me that this unnerving phase in my nursing career is much like a jigsaw puzzle - the pieces are there, but figuring out how they fit together takes a little time. Thank you for your incredible
