The math folder can be printed on 11x17 cardstock. It would be better to print directly to the bypass tray of the copier if you have that capability. Otherwise, you can print to your printer and copy it onto 11x17 cardstock.

**Free Math Printouts from The Teacher's Guide**  
Teaching is often more about relationships than it is about teaching itself. If your students do not like you or trust you, you will not be able to maximize the time you have with them. Teaching is about giving and taking. Failing to understand will lead to failure as a teacher. When students genuinely like a teacher, the teacher's job as a whole becomes much simpler, and they are able to accomplish more.

Traditionally, the teacher is an all-knowing fountain of wisdom spouting facts that students are expected to soak up. During more than three decades in education, however, I've come to believe that the proper role of the teacher is to be a learning guide, an educational facilitator, and a broker of learning opportunities.
