Planted Quotes by Patrick Q. Mason

Believing in Belonging draws on empirical research exploring mainstream religious belief and identity in Euro-American countries. Starting from a qualitative study based in northern England, and then broadening the data to include other parts of Europe and North America, Abby Day explores how people 'believe in belonging', choosing religious identifications to complement other social and ...

Like Manzoor, Yasmin Hai is a Pakistani Muslim who writes about religion and belonging. She and many Asians of her generation were encouraged to assimilate, but many struggled to fit in. Hai writes about her friend Nazia who used religion as a way to define herself against a British society that would not accept her:. When my friend Nazia started flirting with Islam, I felt betrayed.

Religion and Belonging | Facing History and Ourselves

Studies show that feeling a sense of belonging in the workplace leads to more than just good vibes and friendships. Belonging is what allows employees to feel like they can be their authentic selves without fear of different treatment or punishment—and it has a major impact on performance and retention.
