Book 1, Mortal Engines, was disappointing; Book 2 is worse. I sense that there is an interesting story happening in Reeve's steampunk world, but it's always just beyond the edges of the story he's actually telling.

Somewhere in this world multiple factions plot against each other and a world war is beginning. But Predator's Gold isn't that story. It's the story of three underage minors--the bland hero, Tom; Hester, the ultra-violent girl with half a face; and Freya, the self-centered, fat ice pr
