The parents' guide to what's in this movie. Characters on both sides of the law engage in criminal or immoral behavior, including killing, drug dealing, and mob activity. The main character, a hitman, is portrayed as an otherwise caring soul who tries to rise to the challenge when he must protect a little girl.

### The Professional Movie Review

Don't allow your objectivity to turn your literature review to an annotated bibliography. Instead, point out as you proceed how studies relate to one another (for example, Smith (1988) and Jones (1990) utilized various samples to study the same phenomenon). Try to be analytical. Composing a review is an exercise in comparative thinking.
