7 Ways Parents Can Negatively Shape Their Children's View ...

While the vast majority of parents are not in the position to bribe their children into elite schools, this extreme case illustrates the temptation many feel to take control of their kids' lives. But an ultra-hands-on approach can have devastating consequences when it comes to a child's mental health and ability to thrive.

How To Raise Your Kids So That They Become Self-Sufficient ...

Parenting great kids that are wired differently than their peers takes a lot of patience, kindness, and a support group to help you get through the tough times. Whether you are dealing with ADHD, ADD, Autism, or some other differently wired child, having access to the right resources is extremely helpful.
