### Reasons and Persons Summary - Taylor Pearson

My two subjects, reasons and persons, have close connections. I believe that most of us have false beliefs about our own nature, and our identity over time, and that, when we see the truth, we ought to change some of our beliefs about what we have reason to do.

### Parfit Reasons and persons - PDF Free Download

Derek Parfit was among the first contemporary theorists to explore the relation between identity and ethics explicitly, first in his seminal early 1970s articles, "Personal Identity" and especially "Later Selves and Moral Principles," and then in his restatement and development of the view in Part III of his 1984 book Reasons and Persons (from which the present exposition is taken). Parfit's is, in many respects, a Lockean account of personal identity, although there are significant ...
