Religion and U.S. Politics | Pew Research Center

According to conventional wisdom, organized religion has long been a powerful and conservative influence on American politics. Professor Mark Smith’s new book, Secular Faith: How Culture has Trumped Religion in American Politics, develops a startlingly original and compelling alternative perspective. Instead of looking at whether religion leads people to favor certain policies or vote for particular candidates, Smith explores how public opinion influences the political positions and ...

Understanding the Role of Religion in American Politics ...

Religion is important for American politics because religion is important for Americans. 1 Yet, there are factors in American political life that amplify the role of religion in a way that is not seen in other developed countries. For a developed country, the U.S. is extraordinarily high on religion.

Why Religion Rules American Politics | HuffPost

Because many Americans derive their values from their faith, religious people and religious beliefs have always played a significant role in American politics and culture, and in fact have been at the forefront of many justice-seeking movements. It is unavoidable that religion and politics will mix.
