Revelation Rai Kirah 2 Carol

Book two of the Rai Kirah trilogy finds Seyonne the MC up to his neck in torture, death, betrayal and then we get to chapter two. Just kidding, but the truth is this book has a lot going on. The lines between friend/enemy, truth/lie, love/hate are all explored with painstaking detail.

Revelation (Rai-Kirah, #2) by Carol Berg

This is the second book in Carol Berg's "Rai-Kirah" fantasy trilogy. I enjoyed two thirds of the book very much, the other third less so. Specifically, spoiler warning, there is an extensive section set in the demons' realm that I found lackluster. For me, it dragged.

Revelation (Rai-Kirah #2) - Witty Little Reader

This is the second book in Carol Berg's Rai-kirah trilogy. Somewhat darker than the first book (but with a very intriguing storyline), the plot involves treachery and redemption, the phantasms of reality and of the spirit/demon realm, and perhaps most importantly, the issue of separateness and wholeness (to avoid a spoiler, I shouldn't say much more than that).

Rai-Kirah Series by Sharon Shinn - Goodreads

Transformation ist der erste Teil der Rai-Kirah-Reihe, der aber auch als Einzelband gelesen werden kann, da am Ende alle wichtigen Handlungsfäden aufgelöst werden.
