Riveted Iron Seas 3 Meljean

Riveted is the third book in Meljean Brook's Iron Seas series, and easily my favorite of the series, and most definitely one of my favorite reads of the year. I suspect it is going to be everyone's favorite in the series... no joke! While it is based in the same Iron Seas world, it is a completely new setting, Iceland, with new folklore and mythology. New characters, too!

Riveted | Brook Meljean | download

Another high seas adventure. Another great story by Meljean Brooks, this is part of the series but it could stand alone for none of the other characters from previous books are in this story. It is still a steam punk story in the same sense as with her other Iron Seas books.
