Roots Of Confrontation In South

A prominent historian takes a dim view of U.S. policy in South Asia, which he sees as having oscillated between "inept intervention" and "a total abdication of constructive responsibility." He calls for a Geneva conference on Afghanistan (although he doesn't say how to get the Soviets to come) and undiminished pressure against the Russians until they withdraw.

The nullification crisis was a conflict between the U.S. state of South Carolina and the federal government of the United States in 1832-33. It was driven by South Carolina politician John C. Calhoun, who opposed the federal imposition of the tariffs of 1828 and 1832 and argued that the U.S. Constitution gave states the right to block the enforcement of a federal law.
