Anthony Giddens' Runaway World – A Summary. There has been a considerable amount of research and theorising into globalisation and its consequences over the past decade, yet little of this has filtered down to students of A level Sociology. This article aims to address this by summarizing Anthony Giddens' views on globalisation and its consequences for culture and identity in the West, focusing on the two core themes of risk and detraditionalisation.

### Anthony Giddens' Runaway World - A Summary - ReviseSociology

Globalisation is the reason for the revival of local cultural identities in different parts of the world. If one asks, for example, why the Scots want more independence in the UK, or why there is a strong separatist movement in Quebec, the answer is not to be found only in their cultural history.
