Salesforce also offers training via the new DEV-450 course. Study Strategy. Blindly ploughing through the study guide may not produce the results. Instead, here's what I do: 1. Divide & Conquer – Review the study guide and identify the least familiar topics. 2. Label each topic based on your strength of the subject and start with the least. 3. Once you have identified the starting point, branch out to the corresponding Trailhead and developer workbook. 4. Have a study strategy!
