It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Savita Bhabhi

The first few Savita Bhabhi episodes had come out and I, like everyone else, was reading them all. Some ideas are so strong that sometimes the treatment doesn't really matter. Not that the Savita Bhabhi treatment was bad. The artwork of the first Savita Bhabhi comic — The Bra Salesman — is really good. Even the comics that followed had ...
