Second Language Acquisition An Introductory

"The fourth edition of Second Language Acquisition continues to lead the field in textbooks for generalist SLA courses at the undergraduate and graduate level. It retains SLA's comprehensive coverage of the field and its unique work with second language data samples while incorporating substantial up-to-date additions. New to this edition, the authors include pedagogical devices for student reflection throughout the chapters, a companion website, and "Points to Remember" summaries that make ...

Introductory ...

Second Language Acquisition: An Introductory Course, with Sue Gass, Jennifer Behney, and Luke Plonsky at the helm, has always been outstanding, but manages to improve with every new edition. The authors are established experts; the coverage is up to date, balanced, and comprehensive; and the presentation is lucid – even when dealing with what is sometimes quite complex material.
