As the free black population grew, their concern for the status of the African American became the center of the antislavery movement. The debate in Congress in 1819 and 1820 over whether Missouri should enter the Union as a slave or free state made it clear to the entire nation that the slavery issue was not going to simply evaporate in the American republic.

Abolitionism, or the abolitionist movement, was the movement to end slavery. This term can be used both formally and informally. In Western Europe and the Americas, abolitionism was a historic movement that sought to end the Atlantic slave trade and set slaves free.. Louis X of France set a precedent by abolishing serfdom within the Kingdom of France in 1315.
