Setting Limits in the Classroom: A Complete Guide to ...

Setting limits is healthy. It does not have to be done in a rude or hostile way. Firmness does not mean intimidation. Set limits by requesting behavior that is incompatible with the undesirable behavior. Many times it will be far more effective to say "Hands at your sides!"

Setting Limits for Effective Behavior Management ...

Boundaries can be defined as where I leave off and others begin. A boundary is where I can claim some personal item, space or mental process as mine. Boundaries have long been a problem in the high school or college classroom as young adults may have little understanding of adult boundaries as they have just begun to navigate the adult world.

Please Have A Seat: How To Set Boundaries In Your Classroom

Boundaries, on the other hand, take into consideration to the desires and needs of the students they attempt to motivate. Additionally, boundaries are proactive, attempting to prevent problems in positive ways. Rules typically focus on the negative or punitive reaction of the teacher (or the system) when a student gets caught.

Set Boundaries, Not Rules | Education World

Setting limits means saying, "No, you can't have a third cookie," or "You need to eat a healthy choice first." Limits should also be set in regards to electronics. Many kids would be content watching TV or playing on the computer all day long. Limits provide boundaries and structure for kids.

Reasons Why It Is Important to Set Limits With Kids

The goal for setting limits is to give as much responsibility as possible to the child. One contrast between rules and limits is that rules require the adult to take most of the responsibility. The adult must make the rules, enforce the rules, and apply some kind of punishment.
