Shark Motorcycle Helmets Somehow Shark Helmets managed to stay one of Europe's best kept secrets until 2006. Since 1929 Shark has been producing some of the most advanced and high quality helmets in the motorcycle universe and we unfortunately just found this fact out State-side. Shark prides itself on leading with innovation, quality and safety.

Shark EVO One 2 Hi-Viz Helmet. Just as the Bull Shark can live in salt and fresh water, the Shark EVO One 2 can operate as a full face and open face helmet with a quick flip of the chin bar. Other modular helmets might as well be bottom feeders since most chin bars do not adapt to to your needs like the Shark EVO One 2.
