## **Medical Solutions - Siemens Healthineers Global**

Siemens Healthineers AG is the mother company for several medical technology companies and is headquartered in Erlangen, Germany. The company dates its early beginnings in 1847 to a small family business in Berlin, co-founded by Werner von Siemens. Siemens Healthineers is connected to the larger corporation, Siemens AG. The name Siemens Medical Solutions was adopted in 2001, and the change to Siemens Healthcare was made in 2008. In 2015, Siemens named Bernd Montag as its new global CEO. In May 2

The influence of the medical image in healthcare is constantly growing. Diseases are detected earlier and treatments become more effective. When its usage is expanded beyond the field of diagnostics, entering the arenas of prevention and therapy, it can significantly contribute to lowering costs in healthcare on a global scale. 1
